

MAXWELL
COLLECTION

MAXWELL CONSTRUCTION DETAILS

Designed and hand-crafted to provide a healthy and home-like environment. Our Maxwell series features beautiful crown molding and endless stain, fixture and size options.

▶ ANTI-MICROBIAL FINISH

Custom colors infused with anti-microbial additive to kill unwanted bacteria and encourage an easy to clean surface

▶ HIGH PRESSURE LAMINATE

High pressure laminate tops with rounded, solid wood edges. We also offer ThermoForm covered tops.

▶ SOLID WOOD

Solid hardwood frames and drawer faces. Hardwood veneer featuring pocket hole joinery with premium glue

▶ VENTED BACK

Proper air circulation influences a healthy environment by preventing bacterial growth in drawers.

▶ HARDWARE

We offer several styles of pulls, knobs and locking hardware.

▶ DURABLE

Fully finished interiors for easy cleaning. Wood bottoms with dado insert construction for durability. Optional full extension metal ball-bearing drawer glides

Maxwell. Creating comfort one piece at a time.

Designed to create a home-like atmosphere. This collection has plenty of options to create a truly unique and enjoyable living space. No detail goes unnoticed and only the highest quality woods and stains are used for each piece.

STAINS & LAMINATES

Choose from our beautiful standard stains. Have a specific color in mind or need a stain to match your laminate? We accept all stain color requests and will help create the perfect piece for your facility.

We also offer solid wood edges and several edge detail options.

HARDWARE

From sleek and modern pulls to traditional handles and knobs, the options are endless. We offer lockable hardware as well as specially designed drawers with built in grip. Choose from our standard options or come to us with a desired style. The right hardware makes all the difference and a long lasting impression.
